FOR IMMEDIATE RELEASE

Visitors Center is Looking for Volunteers!

Friendly, outgoing individuals are needed! If you enjoy working with the public and sharing your knowledge about the City of Vacaville, your help is needed to volunteer in the Vacaville Visitors Center and at special events.

The Visitors Center is dedicated to serving visitors from all over the world and some from right here in Vacaville. The center provides visitor information such as maps; brochures and travel ideas. Housed in the offices of the Vacaville Conference and Visitors Bureau, located at 1671 E. Monte Vista Avenue, Suite 112, the Visitors Center is a popular stopping point for visitors and residents for information about things to do and places to go. The center is open from 9:00am – 5:00 pm seven days per week excluding major holidays. Weekday and weekend volunteers are needed.

Hours are flexible. If you are interested in volunteering, please stop by our office and pick up an application.
